

# Lighting for Weddings/Parties/Tent Events (E27, LED)

## Antique Vintage-Style Edison Light Bulbs (E27) NEW!

**ST 18 (Antique Edison),  
E27, 25 Watts**

**T14 Spiral  
E27, 15 or 25 Watts**

**T14 Squirrel Cage,  
E27, 15 or 25 Watts**

**T9 Hairpin,  
E27, 25 Watts**

- Recommended to be used outdoors with string lights, especially our 106 ft. commercial-grade outdoor patio light strings
- Vintage-style light bulbs are a great way to add soft ambient lighting to your special events
- Our medium base vintage bulbs consume 15-25 Watts, providing a very warm, antique glow (approximately 2200 Kelvin)
- 3,000-hr rated life
- Clear, colorless glass
- Various filament patterns available (squirrel cage, spiral, hairpin)
